

Afghan Refugees: How we can help

As people arrive in the UK seeking refuge, there are lots of opportunities for people to get involved such as offering vacant properties and housing for refugees, as well as community and cultural activities, English language support and other options. Donations – specifically baby equipment, clothes and homeware – are also being welcomed in some areas. Councils are leading on resettling families and those who want to help can [search their postcode on this website](#), to find the specific help their council is looking for.

Donations

Organisations which are seeking clothing and other material support include

- Refugee Support Devon <https://refugeesupportdevon.org.uk/news/the-crisis-in-afghanistan/>
- Care4Calais. The charity has [collection points](#) around the UK for donations, which are sorted according to the number and age of people in nearby hotels. It particularly wants good quality shoes and coats for adults and children, baby buggies and baby carriers and unlocked smartphones.
- The Arc Plymouth <https://www.thearcplymouth.co.uk/afghan-appeal-donations> - their collection is currently on hold due to the high number of donations received.

Many donation points have already received more items than they can store, so please check first before taking items.

Housing

Councils are looking for self-contained flats or houses, available on an open-ended/rolling lease and with rent affordable within the Local Housing Allowance for the relevant area and size of property. They favour properties in larger towns rather than rural locations, to minimise the risk of isolation. Any landlords who would consider letting to a refugee family are invited to contact their local council who will put them in touch with the relevant district council, who can go into more detail about tenancies etc.

Cash Donations

The Refugee Council has an appeal [to help Afghans resettling](#) in the UK.

The British Red Cross is [appealing for donations](#) and is already supporting hundreds of people newly arrived from Afghanistan.

Community Sponsorship

There may be the opportunity for community sponsorship, which allows parishes to welcome a family. Community sponsors provide housing for the refugees and support them in integrating into life in the UK. They help to arrange access to medical and social services, English language tuition and support towards employment and self-sufficiency.

The World Day of Migrants and Refugees (WDMR) will be celebrated on Sunday, 26 September. The theme chosen by the Holy Father for WDMR 2021 is *Towards an ever wider "we"*. In response to his call to ensure that "after all this, we will think no longer in terms of 'them' and 'those', but only 'us'", we are sending you some materials to help build this "we" together. <https://migrants-refugees.va/world-day-of-migrants-refugees/>

In a new video, <https://tinyurl.com/br6p7k75> the Holy Father asks us to learn to live together in peace and harmony, building a future enriched by diversity and intercultural relations.
